

# Stream Walk Map

## Forest Edge

- ★ Beginning of Stream Walk @ Pool
- Walking Route
- Trails
- Restoration Reaches

0 Feet 300

### Please Note:

This walking tour will be in an active construction zone. Most of the walk will be in an active construction zone. Most of the walk will be on the construction project's Temporary Access Path. This path follows the existing paved pedestrian trails, except in a few areas. In these areas, we will be walking on wooden deck mats. Please wear appropriate shoes as the mats can be uneven and muddy.
