

Reston is a special community with an extraordinary history. The Reston Museum was established to share the history of Reston and its founding values, which make it a unique and wonderful place to live, from one generation to the next. The Museum offers weekly history tours, monthly walking tours, community exhibits and archives, programs, commemorative bricks, and annual events such as Reston Founder's Day in April, and the Reston Home Tour in October. Reston Museum's shop is the only source for Reston-ware such as t-shirts, mugs, and more.

Funding support for operation of Reston Museum comes from membership dues, corporate sponsorships, board and individual donations, grants, Reston Home Tour proceeds, and shop sales.

The Reston Museum is operated by the Reston Historic Trust, founded in 1996 as a community-based non-profit organization with the mission to sustain the unique story of the award-winning, innovative, planned community of Reston. Help us keep telling that story.
