2012.02.063	Book	L	File Cabinet Back Office	Reproductions of Maps Dating from 1608-1915 of Northern Virginia		1981
2012.02.064	Book	L	File Cabinet Back Office	Provides the necessary philosophical underpinnings for the development of a successful, low-cost marketing plan not based on advertising. It is also full of specific suggestions about how to accomplish this goal, including guidance concerning business appearance, pricing, employee and supplier relations, accessiblity, open business practices, customer		1986
2012.02.065	Book	L	File Cabinet Back Office	Handbook for people who are forming new nonprofits, thinking about converting an informal, grassroots group to tax-exempt status, reorganizing an existing agency, or in the early stages of managing a nonprofit. It provides practical and basic how to information for the small nonprofit.		1996
2012.02.066	Book	L	File Cabinet Back Office	Contains the results of the Institute of Museum Services Museum LEadership Inisitiatives program, which provided planning grants in 1994 to help museums sand schools extend and deepen their relationships.		1996
2012.02.067	Book	L	File Cabinet Back Office	Draws on examples from around the world and provides a wealth of ideas that will empower and inspire. It enxourages a balance between the care of collections and the needs of the public the museums serve.		1999

Object ID	Object Name	Catalog	Location	Description	Image	Date
2012.02.068	Book	L	File Cabinet Back Office	Based on part on articles written for the Radical History Review, these 18 lively and accessible essays take a sometimes irreverent look at how history is presented to the public in such diverse settings as children's books and Colonial Williamsburg.		1986
2012.02.069	Book	L	File Cabinet Back Office	Provides a framework for defining learning and reflects the literature related to learning in museums, whether self-directed or structured for adults or children, particularly as an aspect of a school program.		
2012.02.073	Book	L	File Cabinet Back Office	The essays illustrate struggles and collaborations among museums and communities. The topics discussed include the role of museums in civil society, the history of African American collecting and exhibiting and experiments with more open museum-community dialogue. Such critical issues such as ethnicity and class are examined in case studies of		1992
2012.02.074	Book	L	File Cabinet Back Office	Probes the often politically charged relationships among aesthetics, contexts and implicit assumptions that govern how cultural differences and art objects are displayed.		1991
2012.02.075	Book	L	File Cabinet Back Office	Prseents 11 case studies of the development process that produced some of the nation's most outstanding exhibits. Each essay indrocues decision-makers, examines resources, and analyzes the steps taken to produce a ground-breaking exhibit		1992
2012.02.076	Book	L	File Cabinet Back Office	The authors have analyzed a wide variety of museum progrms from the perspective of planners, instructors and participants. They discovered what works and what doesn't and have distilled this knowledge into twelve basic steps you can use to design truly meaningful experiences for your museum's adult program		2002
2012.02.077	Book	L	File Cabinet Back Office	The authors havve analyzed a wide variety of museum programs from the perspective of planners, instructors, and participants. THEY discovered what works adn what doesn't and have distilled this knowledge into twelve basic steps you can use to design truly meaningful experiences for your museum's adult programs		2002
