- Something beautiful
- Bike, car, or shoes
- Home (how many different ones can you find? Does your neighborhood have different types of houses? What about the homes of your pets? Birds?)

Reston’s Founding Principles

1. Reston would have **housing** for all.
2. Reston would allow residents to “**Live, Work & Play**” in the same community.
3. Reston would put the **importance and dignity of each individual** as the focal point of planning.
4. Reston would be **beautiful** and nature would be fostered.
5. Reston would accommodate **leisure time**.
6. Reston would have **amenities** from the outset including a library, golf courses, art, and more.
7. Reston would be **financially successful**.
